TOTAL BAR LIMIT. ....

*\*There are many options available when it comes to managing your wedding beverage requirements. These are largely dictated by your budget as well as your venue's terms, especially regarding winelist and corkage, if outside beverages are permitted to be supplied. Also keep in mind that many of the more remote venues are unlicensed, and we need to look into creative ways of beverage 'bartering'. We also need to consider satellite set-ups, and whether additional hire/ staffing is required etc. We will assist you in tailoring the best bar solution for you and your celebration.*
